The churches of the Ford Group

have continued to welcome people of different ages and for different occasions from school groups thinking about the nature of God to people coming to mourn the passing of a loved one, or baptism a new born. Ford hosted a special evensong of Remembrance for the Queen and the annual gathering for the Service of Light.

Looking ahead we will soon begin the new church year and the season of Advent. It's the season of waiting for the coming of God into the world. Within the Ford Group of churches there are services of different forms (some with communion and some without) and at different times, and on different days of the week. People are welcome at any church within the group especially as there is not a service on every Sunday in every place.

Above is a list of the services that are planned for December and January in the churches more at the Middletown end of the group. There are Carol Services, a Crib service and Christmas Day itself, being a Sunday, is being hosted at Great Wollaston. Community Worship is a more informal, shorter service, suitable for families. At the moment it takes place in Alberbury. All are welcome. The magazine, Weekly Sheet and Facebook have further information. With every blessing The Rev'd Greg Roberts

Powys County Council

County Councillor – Amanda Jenner - 07800914446

Facebook.com/CllrAmandaJenner/ -

cllr.amanda.jenner@powys.gov.uk

I hope you are all keeping well as Winter starts to set in. I have a few things to update you on again and as always please do get in touch with me to raise any issues you have relating to the County Council.

Waste Collections

Problems continue with timely and complete pickups of waste recycling, although we have seen some recent improvements in the last few weeks. Many councillors are highlighting frustrations and I continue to raise questions about workforce management and asking what they are doing to try to mitigate this. The latest questions I raised are here:

<https://powys.moderngov.co.uk/ieListDocuments.aspx?MIId=7570&x=1>

Bins for Brunant residents on Heldre Lane Cross Roads – I have raised the conditions of these and one is due to be replaced shortly.

Highways

A458 Trunk Road – I passed on that some streetlights were out along the A458 and have been told these are scheduled for repair. I have also chased for an update on when the Cefn bridge safety improvement work will be done.

Trunk Road Crossings – there have been some requests from residents for crossings. Myself and the community council have raised this previously but it wasn't taken forward by the Trunk road. I am now in discussion with the active travel team within PCC who work with Welsh Government and Sustrans (the active travel charity). They have given some initial advice to me on how to take forward what the community/school wants in terms of a scheme which allows children to walk safely from school/bus stops to homes etc and I am progressing their advice.

Drains & Ditches - Following my motion on winter drain clearance which was approved by full council in October, the Community Council and I drove round and identified high risk drain/flood areas. These have all been passed on to the council. I have also had a recent Highways depot meeting where I again highlighted the need to prioritise drain clearance before the winter. Other councillors said the same. I have also formally written to the portfolio holder for highways to ask that work needed following my motion be taken forward. The response to my letter can be read below:

<https://powys.moderngov.co.uk/ieListDocuments.aspx?MIId=7549&x=1>

Given the content of that response, I have written again to the Highways department and the highways manager has now said that Heldre Lane and Sale Lane roads will be scheduled; I have pressed that there is already considerable amounts of sitting water across these roads.

Hope Road – I had hoped that this road would be included in the Council’s bid for levelling up money. Unfortunately it did not quite make the list. I have however now been told that the highways Supervisor will include the hope road in the capital list for ranking in 2023/24. I am also pleased that there has been some recent pot hole fixes work done here.

Pot Holes – Llyn y Melyn, Heldre Lane, Parc Caradog - these have all been reported again.

Salt Bins/Piles – The Community Council and I have checked a few of these and many are ok. I have put in extra requests for Fox Lane, Moelygolfa, Brunant. Please let me know I you are aware of further supplies needed.

Pentre Gwyn Parking – A number of people have raised concerns about parking obstructions. I have passed this on to the Police who have said they will carry out patrols.

School Willow Tree – many of us have been sad to see the demise of the Willow Tree at Buttington Trewern School, which was planted over 70years ago by the WI to mark the opening of the school. The headteacher and I have been looking into possible grants for a replacement or for an orchard/ sculpture area. I have also asked people to not help themselves to logs and not let children play on there due to safety concerns. It has now been decided that the logs will be sold to raise proceeds for the school. Prior to this, I have suggested to the school that some logs be offered to free to those families on lower incomes who qualify for free school meals.

This is probably my last update for this year. I would like to wish you all a Merry Christmas & Nadolig Llawen. It’s been a privilege to be your Councillor for another year – we’ve had ups and downs in the community and I’ll continue doing my best in 2023.

Best wishes,

Cllr Amanda

Great Wollaston & Middletown Churches are inviting everyone to a coffee morning once a month in Middletown Village Hall, 10.30 till 12.00pm.

This is an event organised by volunteers on behalf of the Churches as a service to the community. The idea is to come along, have some company and make new friends . It will run on the 4th Tuesday of the month. It is a free event but people are very kind and donations have helped to cover the village hall costs. All the cakes and drinks are donated by the volunteers.

Please continue to support us ! We enjoy your company and need help to eat all the cake!
